Spring holiday  
No school Mar 28

## HOW TO ACE YOUR PARENT/TEACHER CONFERENCE

### Take a little list.

If you're busy (and what parent isn't), you may forget to ask a question or mention something important to your child's teacher. Write it down so you don't forget the important things.

### Look through the papers.

If you haven't already, be sure to go through your child's last few assignments and his/her agenda so the information is fresh in your mind for the conference.

### Relax and be yourself.

You and your child's teachers are on the same team. This is a fantastic opportunity to swap insights and help open up the learning experience for your student.

## DEPAUL STUDENTS DO THE NEON DANCE

Friday night was an absolute blast! Big thanks to the DePaul Parent Association and Mrs. Parker for doing this brilliant and colorful celebration!

## MCKAY CHECKS ARE IN

Is your child a McKay scholarship recipient?

Please pop by our office ASAP and sign your check. It only takes a minute!
