DEPAUL WINS EARTH DAY GRANT AWARD

DePaul students have maintained a butterfly garden at Castaway Island Preserve in partnership with Timucuan Trail Parks Foundation for the past three years. Each year, students are asked to bring in butterfly-friendly plants and help care for our garden.

The DePaul School was just awarded an Earth Day Grant to aid the project! Earth Day Jacksonville will present us a check at the Ecology Fair at The Landing at 1:00pm on Saturday, April 23. Everyone is invited!
