DePaul School

of Northeast Florida

May 10, 2017

Vol. 9, Issue 17

Our annual meeting for parents/the DePaul community is Wednesday afternoon, May 17 at 1:30 PM, just prior to the graduation ceremony. You will find a ballot in today's Wednesday packet. Please make plans to attend.

Yearbooks:
Check your Wednesday packet for information; pay for yours and your child may take it home.

The Lion King presentation (excerpts from the musical) is Friday, May 12 at 2 PM. It's mainly for our students, but parents and family are welcome to join us in the lunchroom to watch the presentation.

DePaul Night @ Brucci's is Tuesday, May 16 from 5- 9pm. Parents help us out by waiting tables, or by eating a delicious meal that night--and Brucci's donates all tips to DePaul! See Mrs. Parker if you'd like to help.

If you are returning next year and you'd like to apply for the DePaul Scholarship, visit www.depaulschool.com/financial-aid-scholarships now and follow the links to get started.

Parents: please accept our sincere thanks for the Teacher Appreciation gifts you gave. Your kindness made us feel not just appreciated, but loved as well. Thank you.

THANK YOU, Teacher Appreciation Business Donors!

Because of the outpouring of love and generosity over Teacher Appreciation Week, we learned a few things:

For an incredible dessert, see Ms. Dowell for **Two-Time Cake Truffles**. Trust us. (And yes, some are gluten-free.)

For inventive tacos, visit Evelyn and company at **The Flying Iguana**. Everything is fresh and the guacamole is insane.

For an incredible facial, visit **Pampered and Polished Spa**.

For a relaxing and lovely pedicure, go see our friends at **Therapy Nail Salon**.

If you love shrimp and grits, our neighbors at **Shrimp Shack** have a special (a teacher favorite) every Tuesday: 30 shrimp and 2 sides for \$9.99.

If you like several varieties of hummus and flatbread, or just a delicious lunch, see Andre and crew at **Table 1 in Ponte Vedra**.

If you're craving oysters rockefeller, stone crab, steak, or garlic mashed potatoes, visit **Aqua Grill**.

If you're headed to the **Florida Theatre** for a show, you might see our teachers at one! Check out their upcoming shows at Floridatheatre.com.

Parents of 8th graders:

Don't forget to scan and email us a baby or toddler photo of your 8th grader to info@depaulschool.com ASAP.

Please turn in all Box Tops by May 19
